

NOTICE TO RESIDENTS - Perth Capital Works Program

July 27th, 2026

Attention: Resident/Occupant,

Ingimundson Construction Ltd. (ICL) has been engaged by the Town of Perth to rehabilitate the underground infrastructure on Thomas Avenue (Mather Street to Geroge Avenue), which will include the installation of new watermain, sanitary sewer, storm sewer, and road rehabilitation on your street. Survey and Layout will begin July 27th and Construction will start mid-week at the earliest on Wednesday July 29th.

ICL will take every precaution to minimize interruptions to you and your family's everyday life, but as you can appreciate, there may be some inconvenience during the operation of the work. Accessibility is an important consideration for all parties involved. We will make every effort to provide access for residents through and around the construction site. Should you require information, assistance or need accommodations for your residents please contact our office at (613) 706-2652 or email us at info@ingimundsonconstruction.com.

If you require to speak to someone from the Town of Perth, please feel free to reach out to their digital community outreach program called engage.perth.ca/thomas, this platform will be used by municipal staff to convey updates, schedules, and general correspondence to stakeholders who register with the website.

We would like to thank you for your patience and co-operation during this reconstruction project.

Yours truly,
