

TOWN OF PERTH ROBINSON STREET PAVING NOTICE & SCHEDULE UPDATE

Ingimundson Construction Limited under contract to the Town of Perth will be advancing with the paving of the driveways Robinson Street commencing Thursday October 8, 2026. During paving activities, access to driveways will not be available until paving operations are complete.

The municipality appreciates your patience while these construction activities take place and is requesting that residents refrain from using their driveways whenever possible in the following hours after the asphalt has been laid. This minor inconvenience will ensure the long-term quality of the work.

The concrete subcontractor shall be returning to site on October 16th to complete curbs, walkways and any concrete driveways.

The week of October 19 the paving subcontractor will return to pave the final lift of asphalt in the Gore street intersection only, Gore Street will be closed during this time from Halton Street to South Street. During this week the topsoil and sod shall be placed on Robinson Street.
